

Summer 2

Friday 17th June

Committed to quality education within a community that cares,

News from St. Ambrose

School Uniform

Do you have any clean, good quality school uniform that your child has grown out of?

We would like to hold another table top 'Grab and Go' school uniform swap.

Please could you drop it into the school office by Friday 1st July.

We will then sort it into age groups and will place it all on tables outside for you.

Many thanks

Parents page on school website

I have put some information on the parents' page of the website regarding Continuing Education.

This is a Stockport initiative and all courses are **free**.

They range from First Aid to training to training to become a Learning Support Assistant.

Have a look.

School trips

You all should have received a letter about your child's school trip on Monday. If you have not got one please contact the office and we will get one out to you.

Please be aware that the trips cost £20 per child and this is already hugely subsidised by school.

Obviously if you are having problems with this please speak to Mrs Hilton about it and I am sure some arrangement can be made.

Freddy Fit

Freddy Fit will be back in school on Monday 27th June. All children in all the classes will be taking part.

The children **MUST** have their PE kit and pumps to change into or they will not be able to take part.

Send PE kits into school now and the children can leave them in the cloak room until the end of term when they take them home for washing.

End of year activities

We are aiming to do all the usual end of year activities – Year 6 play, Year 6 Mass, sports day, school disco etc. Please keep lookout for the dates in the next newsletters . Parents will be invited to some of these activities unless we have another Covid outbreak as we did in Year 5 just before the half term holiday.

School meals service

We have been notified by TLC - the Stockport company who provide our school meal service, that from 1st September they will be increasing the cost of them to **£2:25** per day (£11:25 per week).

They will remain free for the children in Reception, Year 1 and Year 2 but from Year 3 they will need paying for.

If you have not claimed for Free school meals please do via this Website

www.stockport.gov.uk/free-school-meals/apply-school-grants-free-school-meals

If you would like help with this please make an appointment with Mrs Conley and she will help you.

Mobile phones

Children should not be bringing mobile phones into school.

If your child brings a mobile phone– maybe because they walk to school and home on their own, please could you remind them that they must hand it into the class teacher and it will then be sent to the office.

If phones are not handed in and are lost, broken or taken, it is not schools responsibility and we will **not** replace them.
